

Advanced International Course  
**LYON WRIST 2018**

Convention Center - Cité Internationale

October 18<sup>th</sup> - 19<sup>th</sup>

**Course Directors:**

**Guillaume Herzberg**  
**Marion Burnier**  
Lyon (France)

**Honored President:**

**Michel Merle**  
(Luxembourg)

[www.alcoms69.fr](http://www.alcoms69.fr)

**Preliminary Program**

21/07/2018

**Faculty:**

<b>B.D. Adams</b>	Houston (TX-USA)
<b>T. Apar</b>	Versailles (France)
<b>R. Arora</b>	Innsbruck (Austria)
<b>L. Athlani</b>	Nancy (France)
<b>A. Atzei</b>	Treviso (Italy)
<b>A. Badia</b>	Doral (Florida-USA)
<b>E.M. Baur</b>	Murnau (Germany)
<b>P. Bellemère</b>	Nantes (France)
<b>M. Boeckstyns</b>	Copenhagen (Denmark)
<b>A. Cambon Binder</b>	Paris (France)
<b>E. Camus</b>	Maubeuge (France)
<b>M. Chammas</b>	Montpellier (France)
<b>S.L. Chen</b>	Beijing (China)
<b>H. Coert</b>	Utrecht (Netherlands)
<b>B. Coulet</b>	Montpellier (France)
<b>P. Cuénod</b>	Genève (Switzerland)
<b>C. De Cheveigné</b>	Toulouse (France)
<b>L. De Smet</b>	Pellenberg (Belgium)
<b>O. Delattre</b>	Fort-de-France (Martinique)
<b>P. Desmoineaux</b>	Versailles (France)
<b>L. Erhard</b>	Lyon (France)
<b>K. Fujio</b>	Osaka (Japan)
<b>M. Gabl</b>	Innsbruck (Austria)
<b>J. Garret</b>	Lyon (France)
<b>A. Giachino</b>	Ottawa (Canada)
<b>J. Goubau</b>	Brussels (Belgium)
<b>T. Grégory</b>	Paris (France)
<b>C. Guardia</b>	Toulon (France)
<b>J.R. Haugstved</b>	Oslo (Norway)
<b>P.C. Ho</b>	Hong Kong SAR (China)
<b>P. Jorgsholm</b>	Vejle (Denmark)
<b>M. Levadoux</b>	Toulon (France)
<b>B. Liu</b>	Beijing (China)
<b>P. Liverneaux</b>	Strasbourg (France)
<b>F. Loisel</b>	Besançon (France)
<b>R. Luchetti</b>	Rimini (Italy)
<b>E. Masméjean</b>	Paris (France)
<b>A. Messina</b>	Milano (Italy)
<b>J. Messina</b>	Milano (Italy)
<b>A. Mirza</b>	Smithtown (NY-USA)
<b>T. Nakamura</b>	Tokyo (Japan)
<b>P. Nowicki</b>	Warsaw (Poland)
<b>L. Obert</b>	Besançon (France)
<b>K.J. Prommersberger</b>	Bad Neustadt (Germany)
<b>C. Rizzo</b>	Lyon (France)
<b>J.L. Roux</b>	Montpellier (France)
<b>D. Slutsky</b>	Los Angeles (CA-USA)
<b>L. Van Overstraeten</b>	Tournai (Belgium)

*Preliminary Program, Subject to Changes*

## Thursday, October 18th

**07 00**

Registration

**08 20**

Welcome Address

G. Herzberg, M. Burnier

**08 30**

### Session 1

- . Surgical Approaches for Treatment of Acute Distal Radius Fractures (DRF)
- . An Alternative Treatment to Volar Plating for DRF
- . Indications and Results of Radio-radial External Fixation for Acute DRF
- . Treatment of DRF with Percutaneous HK2 Pinning System
- . How to Fix a Displaced Volar Lunate Facet Fragment
- . Tips & Tricks for Distal Radius Volar Plating
- . Associated SL-Injury with DRF - Diagnosis and Treatment
- . X-R diagnosis of SLD Among Intra Articular DRF: Interobserver Reliability
- . Indications of TFCC Reinsertion in DRF with Ulnar styloid Fractures
- . Galeazzi-Type DRF - Diagnosis and Treatment
- . My Management of DRF in a Young Active Patient

A. Giachino  
A. Mirza  
C. Guardia  
E. Camus  
R. Arora  
C. De Cheveigné  
J. Messina  
K.J. Prommersberger  
A. Cambon Binder  
R. Arora  
A. Badia

✓ **Debate 1 about Clinical Cases: Distal Radius Fractures**

**10 30**

### Coffee Break & Visit of Industry Exhibits

**11 00**

### Session 2

- . Incidence and Practical Consequences of Neurological Complications of DRF
- . Short Term Results of Hemiarthroplasty for DRF in Elderly
- . Distal Radius Malunion: Computer-Assisted Osteotomy
- . My Treatment of Intra-Articular DRF Malunion
- . Corrective Osteotomy for Intra Articular Malunion of the Distal Radius
- . Ulnar Shortening after DRF
- . DRUJ Reconstruction after DRF
- . My Treatment of Perilunate Fracture-Dislocations
- . Indications of Arthroscopy in Perilunate Dislocations
- . Are there Indications for PRC in Acute Perilunate Dislocations ?
- . The Floating Lunate
- . Perilunate Injuries Non Dislocated

E. Masméjean  
T. Grégory  
L. Athlani  
L. Obert  
K.J. Prommersberger  
P. Jorsholm  
B. Coulet  
B. Liu  
M. Gabl  
A. Cambon Binder  
A. Badia  
G. Herzberg

✓ **Debate 2 about Clinical Cases: DRF & Wrist Dislocations**

**13 00**

### Group Photo, Lunch & Visit of Industry Exhibits

14 00

## Session 3

- . Comparison of Patient Rated Outcomes (PRO) Tools for the Wrist
- . Management of Radiocarpal Dislocations
- . Arthroscopy in Acute Scaphoid Fractures
- . Long-term Outcomes of Distal Scaphoid Fractures
- . Scaphoid Nonunion: CT to Estimate Healing Capacity of the Proximal Pole
- . Plating for Scaphoid Nonunion
- . Arthroscopic Treatment of Scaphoid nonunion
- . 20 Years of Experience of ABG for Scaphoid nonunion

B.D. Adams  
D. Slutsky  
E.M. Baur  
P. Jorgsholm  
M. Gabl  
P. Nowicki  
J. Goubau  
P.C. Ho

✓ **Debate 3 about Clinical Cases: Scaphoid & Wrist Dislocations**

16 00

## Coffee Break & Visit of Industry Exhibits

16 30

## Session 4

- . Surgical Anatomy of the TFCC
- . Distal Ulna Osteotomy for Ulna-Carpal Impingement
- . My Indications and Technique for Ulnar Shortening Osteotomy
- . Arthroscopic Management of Ulnocarpal & Ulnar Styloid Impaction Syndromes
- . Wrist Injuries in Tennis Players
- . ECU disorders
- . Techniques and Tips to Diagnose and Treat Proximal TFCC lesion
- . How I manage TFCC Injuries
- . Use of Extensor Retinaculum for Treatment of DRUJ Instability

J.R.Haugstvedt  
J.L. Roux  
B.D. Adams  
D. Slutsky  
A. Badia  
T. Nakamura  
A. Atzei  
T. Nakamura  
J.H. Coert

✓ **Debate 4 about Clinical Cases: DRUJ & Carpus**

18 30

## Adjourn

# Friday, October 19th

**07 30** Registration

## **08 30** Session 5

- . Arthroscopic Treatment of Ruptures of the Deep Fibers of the TFCC
- . Arthroscopic Perifoveal TFCC Reinsertion vs Transosseous Technique
- . Acute Foveal Lesions TFCC with Preexisting Central Defect
- . Modified Arthroscopic Repair for Chronic TFCC Foveal Tear
- . A Positive Ulnar Variance -A Spectrum of Issues
- . Anatomy of the DCSS
- . Ultrasound for wrist surgery: Indications & Techniques
- . Utilization of the Nice Knot in Wrist Arthroscopy (intrinsic ligaments)
- . Arthroscopic Treatment of Volar and Dorsal Ganglion:

- C. Rizzo
- M. Burnier, P.C. Ho
- R. Luchetti
- K. Fujio
- A. Giachino
- L. Van Overstraeten
- T. Apar
- L. Erhard
- J. Garret

✓ **Debate 5 about Clinical Cases: TFCC & Carpal Ligaments**

## **10 30** Coffee Break & Visit of Industry Exhibits

## **11 00** Session 6

- . Biomechanical Comparison of 3 Techniques for Treatment of SL Dissociation
- . Scapholunate Kinematics after Ligament Repair with Flexible Anchors
- . Do I still use my Lig bone Lig reconstruction for SL Dissociation ?
- . Horizontal Intercarpal Capsulofibrodesis for SL Dissociation
- . My Algorithhm for Chronic SL Dissociation
- . Corella's Arthroscopic Technique of SL Dissociation
- . Treatment of Chronic LT Dissociation
- . Treatment of Isolated LT Dissociation with Ulnar Shortening
- . Arthroscopic LT Ligament Repair

- M. Burnier, S.W. Wolfe
- F. Loisel
- P. Cuénod
- O. Delattre
- K. Fujio
- L. Van Overstraeten
- E. Camus
- A. Mirza
- J.R. Haugstvedt

13 00

## Lunch & Visit of Industry Exhibits

14 00

## Session 7

- . Evaluation of Cartilage Damage in Wrist OA
- . Arthroscopic Interposition and Capitate head Resection for Wrist OA
- . Chondrocostal Replacement for Carpal Collapse
- . Results of Open Technique for APSI implant
- . Why I Prefer to Resect the Triquetrum in Intra-carpal Fusion for SLAC / SNAC
- . Arthroscopy-Assisted Partial Wrist Arthrodesis: Indications & Surgical Technique
- . Four-corner Fusion for Wrist OA: A series of 111 cases
- . PRC through a Volar Approach: Technique & Results
- . Vascularized Adipofascial Flap Interposition when Traditional PRC is not Indicated
- . RSL and RL Arthrodesis. Mid & Long-term Comparative Results

J. Messina  
M. Levadoux  
L. Obert  
P. Bellemère  
O. Delattre  
E.M. Baur  
C. De Cheveigné  
R. Luchetti  
S.L.Chen  
M. Chammas

✓ **Debate 7 about Clinical Cases: Wrist Arthritis**

16 00

## Coffee Break & Visit of Industry Exhibits

16 30

## Session 8

- . STT Osteoarthritis (OA): my preferred treatment
- . Carpal Malalignment after Resection-Interposition for STT OA
- . Treatment of STT OA
- . The Fate of Carpal Alignment after Trapeziectomy
- . Treatment of Pisotriquetral OA with Pyrocarbon Implant
- . My treatment of piso-triquetral OA
- . A new total wrist implant
- . Total Wrist Arthroplasty: Technical Tips and Tricks
- . Hemiarthroplasty for Radiocarpal Osteoarthritis
- . My experience with Remotion TWA
- . Results of TWA: systematic review of literature
- . Results of TWA Single Center Experience

A. Atzei  
M. Chammas  
P. Desmoineaux  
P. de Smet  
P. Bellemère  
L. de Smet  
P. Liverneaux  
B.D. Adams  
J.L. Roux  
P.C. Ho  
M. Boeckstyns  
G. Herzberg

✓ **Debate 8 about Clinical Cases: Wrist Arthritis**

18 30

## Closing Remarks - Adjourn
